Digging Deeper

1. Discuss the difference between the effects of you being “in Christ” (Eph 2:3-7) and “Christ in you” (Gal. 4:19 & Romans 8:28-30)

2. Though our spiritual growth is ultimately orchestrated by God, we are to be very active in the journey. Read the following passages and discuss what *you* individually (and *we* corporately) are supposed to do.

Luke 9:62

1 Peter 2:1-3

Philippians 2:12-13 (pay attention to the previous paragraph)
